AC0537

Fuse/Circuit Breaker Finder

- Quickly, Easily and Accurately Identifies the Fuse/Breaker
- Built In Non Contact Voltage Test
- Built In Audible Socket Test
- Fully Automatic Operation
- Very Latest 2nd Pass Technology for Accurate Fuse / Breaker Detection
- Rugged Design
- Two Part Kit, Transmitter and Receiver
- Verifies Presence of AC Voltage
- Buzzer and LED Indication
- 9V Battery Supplied

Technical Specification

Section-10-AC0537 2021 V19
