AC92559

120A up to 35mm² CT Clamp with 5m Cable

Current transformer (CT) clamp for reading solar PV generation to charge point models:
- AC92505
- AC92506

120A up to 35mm²

5m cable length

CE/UKCA Certified

Technical Specification

Attribute	Value
Max current	120A
Max cable diameter	35mm^2
Connecting cable length	5m
Compliance	CE, UKCA

9-AC92559-2023-V1
