

AC2454

Black Self-Amalgamating Tape 19mm x 10m Rolls

- Amalgamates with itself
- Insulates electrical components
- Helps protect against corrosion.
- 19mm width tape
- Creates a void-free homogenous mass
- Long service life

Technical Specification	
Colour	Black
Width (mm)	19
Length (M)	10
Tape Thickness (mm)	0.76mm \pm 0.01
Flammability	Self Extinguishing
Elongation Break (%)	200
Dielectric Strength (kV/mm)	32
Minimum Tensile Strength (N/Inch)	12
Breakdown Voltage (kV)	10
Temperature Rating (°C)	0 to +70

2-AC2454-2023-V1
