

AC3238

1 N/O + 1N/C 20A 230V AC Coil 2 Pole Modular Contactor (1 Module)

Rated insulation voltage (Ui) 400V AC,
Cost effective, flexible install options,
range, contact status indicator, space
saving as can be group mounted, reduced
noise level (hum-free operation) for noise
sensitive environments, easy to install (din
rail mountable)

Technical Specification

No. of Modules	1
Width	18mm
Rated Terminal Capacity Supply (mm ²)	1.0-10mm ²
Rated Terminal Capacity Coil (mm ²)	0.5-2.5mm ²
Rated Insulation Voltage (Ui)	400V AC
Rated Operation Current AC1 (Ie)	20A
Rated Operation Current AC3 (Ie)	9A
Rated Power AC1 (kW)	4kW (230V AC)
Rated Power AC3 (kW)	-

3-AC3238-2021-V1
