

### AC33056

**Green / Red / Green + 2 N/O  
+ 1N/C 3 Position Plastic  
Control Station (IP65)**

**IP65**

| Technical Specification               |                            |
|---------------------------------------|----------------------------|
| Height                                | 74mm                       |
| Width                                 | 142mm                      |
| Depth                                 | 73mm                       |
| Depth inc. head                       | 87mm                       |
| Weight                                | 0.59kg                     |
| Colour                                | Grey lid on dark grey base |
| Enclosure construction                | ABS Plastic                |
| Standard                              | EN 60947-5-1               |
| Degree of protection                  | IP65                       |
| Operating temperature                 | -25°C to +70°C             |
| Mechanical life                       | 10 <sup>6</sup> operations |
| Cable capacity of terminals           | 2 x 1.5mm <sup>2</sup>     |
| Rated thermal current I <sub>th</sub> | 10A                        |
|                                       |                            |
|                                       |                            |
