

AC333442

2N/O Front Mounting Auxiliary Contact Block

Rated Thermal Current 10A, Suitable for use with TC1-D, TP1-D & F range contactors (adding 33mm to the depth of the TC1-D & TP1-D range).

Technical Specification

Number of contacts	2
Rated operation voltage (Ue)	Upto 660V
Rated insulation voltage (Ui)	690V
Standard	IEC 60947-1
Rated thermal current (Ith)	10A
Frequency of operational current	25-400 Hz
Minimum switching capacity (U min / I min)	17 / 5 V
Short time rating 1s / 500ms / 100ms	100 / 120 / 140A
Insulation resistance (M Ω)	> 10
Time Delay ($^{\circ}$ C)	- 40 - + 70
Mechanical life (in millions of operating circles)	30

3-AC333442-2021-V1
