AC333717

H: 110 x W: 110 x D: 110mm IP67 Junction Box

IP67, Thermoplastic enclosures (Terminals not included), Halogen free, Non-flammable, With Din Rail, Enhanced protection, Time saving, Flexible installation options, Range flexibility, Reduced install time, Wide range of applications, Range uniformity

Technical Specification	
External height	110mm
External depth	110mm
External width	110mm
Weight	0.315 Kg
Construction	ABS Plastic
Number of cable entries	8
Din rail	TS 35
Ingress protection	IP67
Ambient temperature operation	-10°C to +40°C

3-AC333717-2021-V1
