

AC33809

MCB SP Type B 10A 10kA

Designed and tested for use with Lewden branded distribution boards

Thermal magnetic miniature circuit breaker

Available in B, C & D type

Technical Specification

Breaking Capacity: 10kA

Execution: DIN RAIL MOUNTING

Frequency: 50/60Hz

Poles: 1

Rated Current: 10A

Rated Operating Voltage: 230-400V~

Trip Curve: B

3-AC33809-2021-V1
