

**AC33810**

**MCB SP Type B 16A 10kA**

Designed and tested for use with Lewden branded distribution boards

Thermal magnetic miniature circuit breaker

Available in B, C & D type

### Technical Specification

Breaking Capacity: 10kA

Execution: DIN RAIL MOUNTING

Frequency: 50/60Hz

Poles: 1

Rated Current: 16A

Rated Operating Voltage: 230-400V~

Trip Curve: B

**3-AC33810-2021-V1**
