

## 3 - Circuit Protection & Industrial Control

AC33826

MCB TP Type C 10A 10kA

Designed and tested for use with Lewden branded distribution boards

Thermal magnetic miniature circuit breaker

Available in B, C & D type

## **Technical Specification**

**Breaking Capacity: 10kA** 

**Execution: DIN RAIL MOUNTING** 

Frequency: 50/60Hz

Poles: 3

Rated Current: 10A

Rated Operating Voltage: 230-400V~

Trip Curve: C

3-AC33826-2021-V1
