

AC33848

Steel fused switch 32A 4P AC23

Metal Clad Fused Disconnect -32A

Robust and wide IP65 Enclosures

Fully rated to AC-23A category - allows safe operation even with highly inductive loads (e.g. Motors, etc.)

Technical Specification

Dimensions: 300x250x150mm (HWD)

Diversity Factor: 1

Frequency: 50-60Hz

ICC Rating: 100

Manufacturing Material: Steel

Phase: 3

Protection Degree: IP65

Rated Current: 32A

Rated Operating Voltage: 400V~

3-AC33848-2021-V1
