

AC53761

IP 24/7 PoE 8MP 8CH NVR 2TB

HD Resolution Recording

Remote Monitoring VIA APP

HDMI Output up to 4K

USB Backup for Evidence Transfer

H.265 Video Compression for Efficient Storage

Pre-Installed Surveillance Hard Drive

Up to 250m Cable Length per Channel

Intelligent Features such as Line Cross Detection and
Perimeter Intrusion Detection

Playback/Record/Remote View Simultaneously

Continuous/Scheduled/Motion Detection/Intelligent
Record Modes

Technical Specification

Attribute	Value
Dimensions (mm)	240 x 260 x 47
PoE Ports	8
Video Input Channels	8
Audio Output Channels (RCA)	1
Max. PoE Consumption Available (W)	30 (Per Port), 75 (Total)
Display Video Output	1 x HDMI, 1 x VGA
Internal HDD	2TB (1 x SATA)

9-AC92050-2022-V1
