

AC6203

LED shower light in-line centrifugal timer kit

Available with an integral mounting bracket. Designed to comply with the Building Regulations on Ventilation (F1). The fan range is powered by a single phase induction motor with pre-oiled bearings for a long, maintenance-free life. The Shower Kit comprises of the centrifugal in-line fan unit, 6 metres of PVC ducting and wall grilles. The Showerlite Kit comprises of the centrifugal in-line fan unit, 6 metres of PVC ducting and wall grilles together with a chrome Showerlite fitting and transformer. The fan has all the features of the fan unit, but has the additional benefit of a 120mm outlet, thus making it suitable for 125mm (5") ducting systems.
