

AC63030

2 speed 100mm axial shower fan loft kit

An intermittent extract timer fan (selectable between 30s and 30 mins overrun) designed to control humidity, odours and mould growth in shower rooms.

Comes complete with 3M of flexible ducting and an external grille to enable a complete shower room installation.

Meets Parts F and L of Building Regulations.

Features a grille-style fascia finished in cool white

Ghost Air Movement Technology for near-silent running.

The fan has 2 speeds, selectable at install and comes complete with a 2 year Guarantee.
