

## 7 - Cable Management

AC788015

## 20MM GALVANISED STEEL FLEXIBLE CONDUIT - 10M

- High mechanical Strength
- Highly flexible
- Manufactured to BS EN 61386
- Self Colour

| Technical Specifica | tion             |  |
|---------------------|------------------|--|
| Ingress Protection  | IP40             |  |
| Temperature Rating  | -100°C to +300°C |  |
| Nominal Size        | 20 mm            |  |
| Coil Length         | 10 metres        |  |
|                     |                  |  |
|                     |                  |  |
|                     |                  |  |
|                     |                  |  |
|                     |                  |  |
|                     |                  |  |
|                     |                  |  |
|                     |                  |  |
|                     |                  |  |
|                     |                  |  |
|                     |                  |  |
